Dr. Hanna at home.

A "different" activity.

A satisfying occasion.

Dr. Hanna

The spiritual growth of the students at Winnipeg Bible College is, in many ways, dependent upon the spiritual maturity of our faculty and staff. In many ways, the strength of our faculty relies upon the ability of the president for his guidance and leadership in the total program of the college.

The president of any Bible College must be a servant of the Lord, a student of His word and a leader amongst men. It is the sincere desire of the King's Herald committee to present this publication in the honour of our president, Dr. K.G. Hanna.

Keeping well informed.

Winnipeg Bible College

There are many phases in the life of an individual at Winnipeg Bible College. Over the next eight pages, the life of a typical college student is given as a picture presentation.

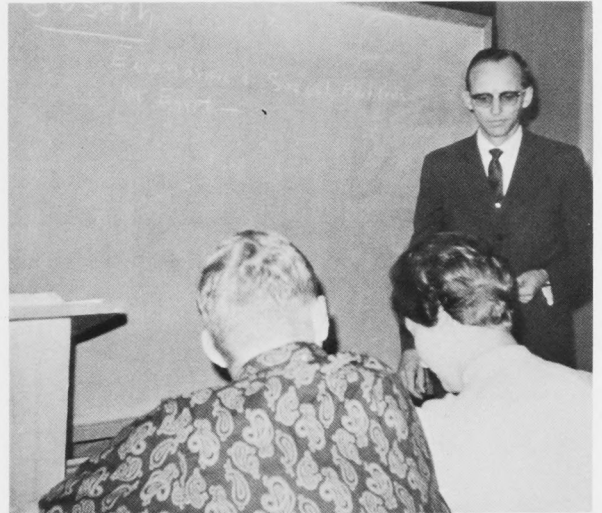

Registration and Classes

The first activity is always registration where guidance from the faculty and the completion of forms are the order of the hour.

The normal workload for a college student is 16 hours a week. A variety of courses are offered in Bible, Biblical languages, Theology, Christian Education, and the Humanities.

Students learn under the expert instruction of our faculty men who specialize in these differing areas.

Studies

Tests

Scholarships

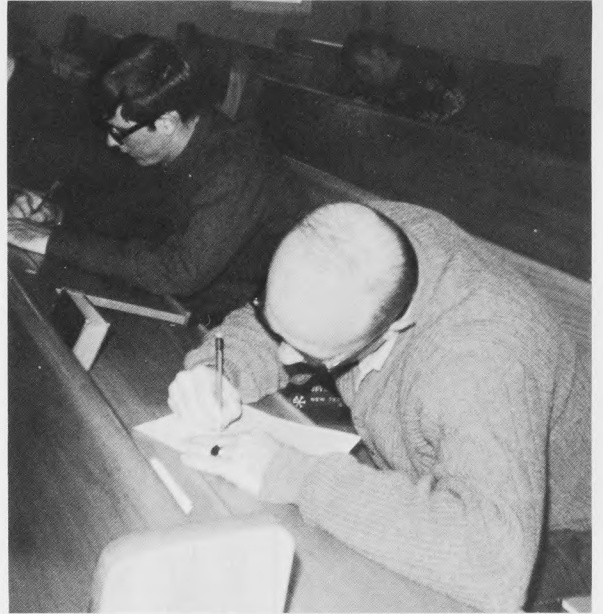

The routine of the regular class day sends the students scurrying to the library where study and concentrated effort becomes essential. Mid-terms and quizzes soon come upon the students and that means study.

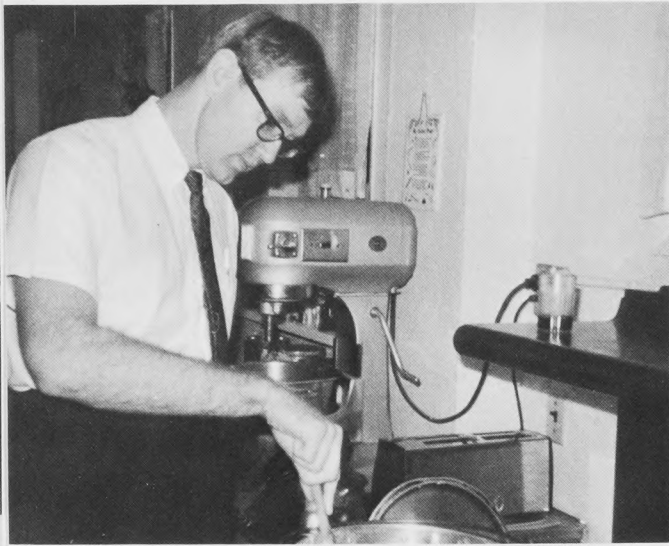

"You may demand much of us; we will demand much of you." This is a favorite expression of our faculty. The students will agree that this is a true statement. The testing periods keep the students honest with themselves, with the faculty, and with God.

At the end of the academic year, due rewards in the form of scholarships are presented to the deserving students. The college offers the following scholarships:

Expository Preaching Award
First Year Scholarship
Mission Scholarship

In addition, the alumni of the college presents three \$100.00 scholarships to worthy students.

Dick shakes it up

The sleeping beauty

Careful - don't drop

A further aspect in the life of each student is gratis. Some wash dishes, others wash the floors. The grounds of the college must also be kept clean. These and many more small jobs performed by each student are a part of his weekly schedule. Six hours meet the requirements as set down by the faculty. Gratis work is vital in keeping the cost of tuition fees for the semester at a minimum.

Sports

The athletic program provides the student with a variety of sports events. The first of these is volleyball, a real favorite. When the weather permits, volleyball is carried on daily. The climax of the season comes with the annual faculty-student round-robin.

The guys of WBC always band together for two exhibition football games. Our guys have a habit of coming out on top, proving the old college spirit is strong.

Curling and hockey are the traditional winter sports. Hockey captivates the interests of the men. The Friday curling is the change students need from the weekday activities.

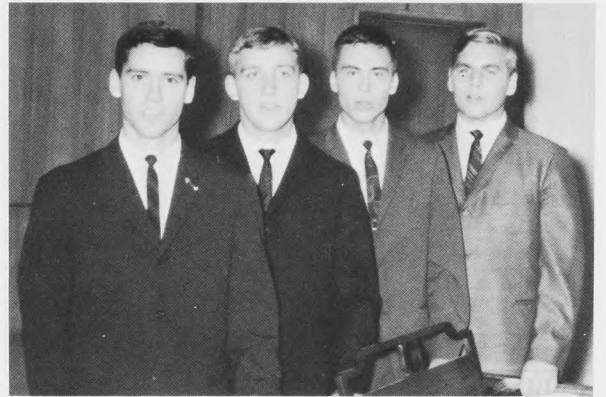

Music

Some sing in trios

The choir involves much practice

Others make the quartet

Some go on tour

Social

Always a favorite subject with the students, the girl-guy relationship takes on many forms at college. Many have said this is the finest place for the girl to find the one who will serve with her in the Lord's appointed location. The same holds with the guys.

The progression is simply portrayed in this sequence: from the patience involved in waiting, to the bashful moments together, to the hours of study together, to the times of planning ahead, to the joy of the finest hour.

The sequence tends to brush over the real issue involved. The many hours spent together shatter the masks or facade of each involved. The real character shows forth. This means adjusting, and accepting the good with the bad. It lays the basis for a future which promises a happy relationship for these who turn to the Lord with their problems, letting Him work out the solutions.

Chapel Christian Service Devotions

The students

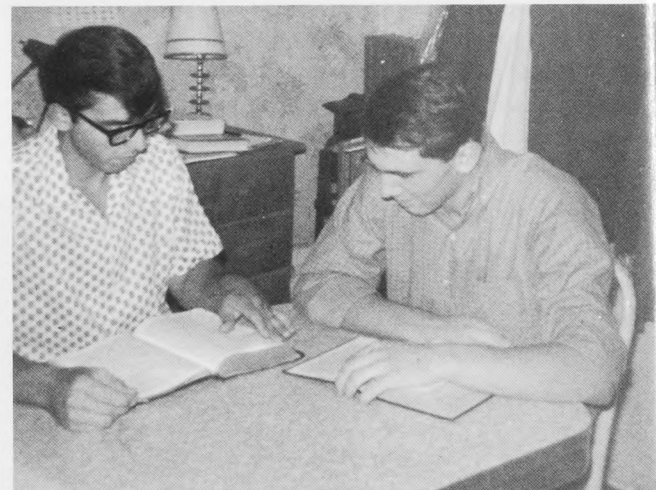

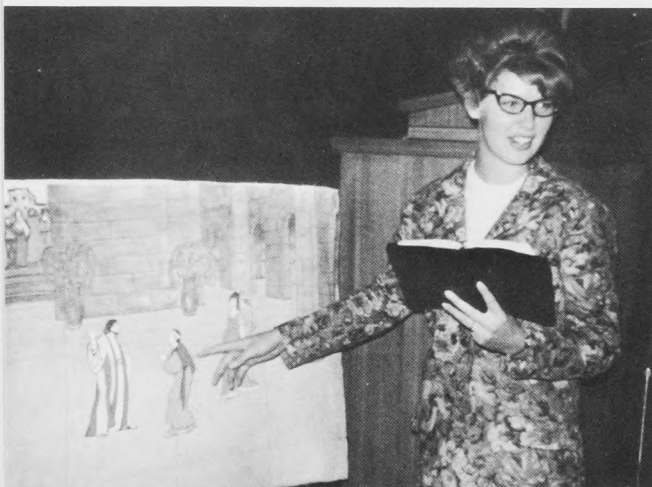

The speaker

Each student has a Christian Service assignment - a requirement of the college, but more important, an opportunity to serve God.

The ministry of Child Evangelism in Winnipeg is one such area of service. Here, Mr. Conrad Durston illustrates while Karen Englund demonstrates the principles of a Good News' Club teacher.

It is a privilege to share in devotions from the Word of God. Having a roommate to share from this Bible is a help in not only the spiritual but also the emotional part of a person.

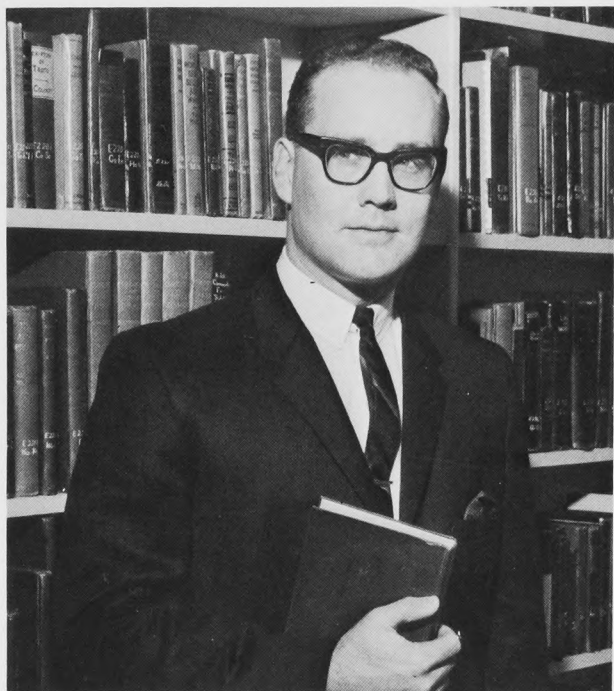

Beginning and Ending

The reception banquet in the first week of September each year officially welcomes the entering students to the college. It is a time when the Big Brothers and Big Sisters sit with their Little Brothers and Little Sisters. Dr. Hanna brings the message which concludes an entire week of Spiritual Life meetings.

The last moment for the individual as a student comes with the presenting of the graduating degree. From this time on, the student joins the alumni of Winnipeg Bible College.

The faculty, staff and interested friends of the college realize each year a portion of the meaning of this verse. They see its meaning made manifest in the lives of the young people who leave this school dedicated to His service.

The need has risen for the college to re-locate its centre for the training of young people. The move is being made in an effort to further glorify God in accommodating a greater number of students. God's guidance has been felt in this move.

Faculty Breakfast

Mr. Snider

Dr. Chapman

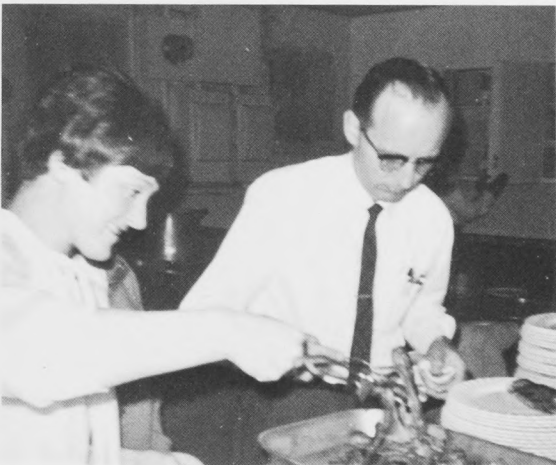

Mr. Harder

It only happens once a year - but when it does, everything goes. The illustrious faculty of our college bands together in an effort to furnish the students with physical food.

Without fail, the faculty treats us to bacon and eggs, hot biscuits, black toast and coffee.

It is a time of fellowship. Witty comments concerning the situation at hand prevail. It is an acceptable change to the students who customarily see the teachers as professors.

Dorm fellowships for WBC men and girls are held monthly in the respective dormitories. A time of fun, food and fellowship is prepared for the students.

Panel discussions or special speakers tend to the format of the informal gathering.

The picture series on this page represents one of the more interesting dorm fellowships of the college year. A panel discussion on student marriages at 534 Wardlaw inspired some thinking on behalf of the guys... and girls too.

Tips in the nursing profession

Vocational day was featured by questionnaires, workshops, booths, and a film. The film illustrated the necessary qualities for success in any vocation.

The Kuder Preference Tests were given the students as an aid in showing them in what areas their main interests lie. Presented the night before, these tests prepared the students for what was to come. Vocational Day presented the careers of nursing, journalism, secondary education, physical education, secretarial and social work in the form of workshops. Here students had opportunity of questions and open discussions.

The booths represented the same vocations, providing the students with literature and guidance. Individuals successful in each field counselled from the booths.

The film on the basic qualities for success was followed by a stimulating discussion which allowed students an opportunity for voicing their opinions.

Only secular vocations were presented on this day. Realizing not all students will be pastors or missionaries, the committee presented these other possibilities to the students.

Theological Lectures

In recent years the Christian Church has suffered from a decline in Biblical preaching and it is causing alarm among lay as well as church leaders. Dynamic Biblical preaching has never been more needed than today. It was with this awareness that the Winnipeg Bible College was pleased to announce the 1968 Theological Lectures with Dr. Lloyd Perry. The subject "Dynamic Biblical Preaching" combined with the recognized ability and experience of the lecturer made these lectures a highlight for those interested in the ministry of the church to men in today's world.

Dr. Perry's lectures were both informative and inspiring to each person privileged to hear him speak. From his theme, "Dynamic Biblical Preaching" Dr. Perry expounded on the following topics:

- Developing a Homiletical Mind
- Organizing a Local Sermonic Outline
- Planning a Preaching Program
- Presenting a Persuasive Message
- Employing Variety in Sermonizing
- Preaching on Contemporary Problems

Missionary Prayer Meetings on Campus

In the daily chapel sessions students, from time to time, hear from various missionary boards. The missionary challenge is clearly presented. A further challenge in missions comes through letter and prayer. Once each week students meet to hold prayer meetings for missionaries around the world.

Letters are written to different missionaries. The responses to these letters provide the "fuel" for the "prayer fires" which characterize each meeting.

The mission bands which meet weekly pray for missionaries in the following places:

- Europe
- South America
- North America
- Islands of the Sea
- Asia
- Africa

8. And he sent them to Bethlehem and said, Go and search diligently for the young child; and when ye have found him, bring me word again, that I may come and worship him also.
9. When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was.

The program begins

Immediately following the Christmas banquet the Winnipeg Bible College Chapel Choir presented the cantata "Night of Miracles", under the direction of Mr. Neil Snider.

Interested friends, associates, and alumni of the college took this opportunity to share in the inspiration of the choir. The simplicity of Christmas, the birth of our Lord and Saviour, Jesus Christ, is the message of God to all mankind. It was presented in song by our choir.

The Board

The executive

The Winnipeg Bible College Board meets regularly and prayerfully with interest in the student scene of WBC. Their concern, characterized by prayer and financial giving, is a vital asset to the college.

Presently, campus development is a main issue which concerns the board. The guidance of our Lord is the influence here upon the board as they plan the details and execute the program for the new Winnipeg Bible College campus.

In this picture, the executive or executing

body of the board is shown just after one of the regular meetings.

These are the young people graduating this year from Winnipeg Bible College. Some will be pastors. Others will find their place of service for the Lord on the mission field. All will seek God's guidance as they leave this school.

Congratulations, graduates, from the King's Herald Committee. May God richly bless you as you seek His perfect will for your lives.

Student Body President

As each year brings reminders of both good and evil, it also brings the anticipations of the future. As this year, the last on the present campus, has closed, let us find the proper perspective for the good, the evil, and the future.

The good is God's. Let us not credit ourselves. "Every good gift and every perfect gift is from above..." As we remember God's goodness to us, let us also recognize His hand on others, but REMEMBER GOD!

The evil is sometimes truly bad in essence but sometimes it is only so in OUR eyes. It is our privilege to understand that "ALL things work together for good to them that love God." Our experiences may call forth mourning or repenting, but they are not insurmountable. Our anchor is best tested in the storms - so let us win then! Ride it out, or fight it out - but let us NEVER QUIT!

The anticipations of the future give hope for everyone. We must strive for ourselves, and strive for others; give hope to ourselves, and give it to others. Ourselves? Yes! But remember OTHERS!

"Grace to you and peace..."

Editorial

II Corinthians 8:11, 12

Now therefore perform the doing of it; that as there was a readiness to will, so there may be a performance also out of that which ye have.

For if there be first a willing mind, it is accepted according to that a man hath, and not according to that he hath not.

Through the publication of the King's Herald, we have intended to portray student and faculty life as it is. The students have come to study the Bible and to prepare for the place of service God has ordained for them. The faculty is used by God in aiding students achieve this purpose.

The abilities and capabilities of each student are developed at Winnipeg Bible College. From Paul's second letter to the Corinthians, it is evident that Christ desires to find foremost in our character a willingness to surrender these abilities to Him.

We of the King's Herald committee feel God has used us in this endeavour as we have sought His guidance.

CHARLESWOOD

Winnipeg Bible College offers a distinctive type of Christian education based on the following convictions:

The centrality, authority and relevance of Scripture in Christian education.

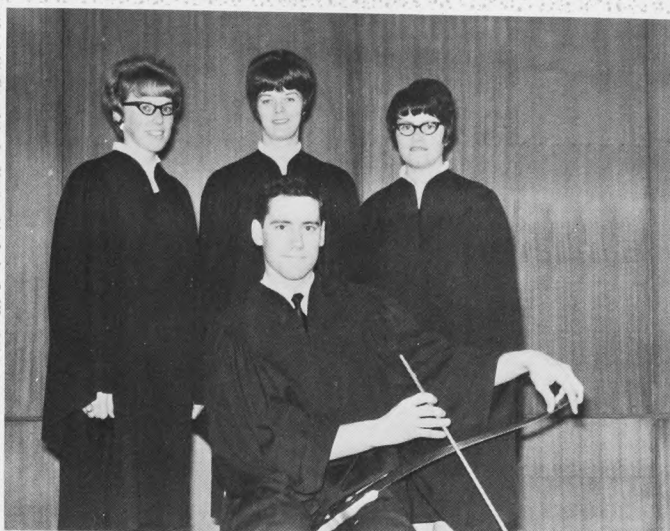

The need for fullness and breadth in academic preparation.

A life of service and usefulness to Christ as the goal of Christian education.

The College is concerned with every area of the student's life. The spiritual, academic, social and physical development of the young person are all essential to the training of mature Christian leaders.

LOOK TO THE FUTURE...

Congratulations on a job well done! The end of a school year brings with it a sense of accomplishment, a feeling of achievement. You've worked hard for this moment . . . enjoy it. But don't lose sight of the goals of education. Look to the future, and think about continuing to learn.

There is much more to discover, much more to enjoy, and the taste of many more accomplishments to savour. You have a golden opportunity to increase your value to the community, to society in general, to the whole world. Look to the future . . . and consider carefully the prospect of continuing your education.

It Pays...

The codfish lays a million eggs

The little hen but one;

But the codfish doesn't cackle

When her little stunt is done.

And so we praise the art fun hen,

The codfish we despise;

Which makes it plain to thoughtful men,

It pays to ADVERTISE.
